

**Press release**

*Nur-Sultan, April 19, 2022*

**“KazTransOil” JSC announces about expected increase in export of oil from Kazakhstan through the oil pipelines system of “KazTransOil” JSC is in April**

In view of the redistribution of oil supplies from the system of CPC-K JSC, an increase in the acceptance of oil from the Kashagan and Karachaganak fields for export through the system of main oil pipelines of “KazTransOil” JSC is expected in April.

Thus, in accordance with the oil supply schedule approved by the Ministry of Energy of the Republic of Kazakhstan, in April the volume of exports of Karachaganak oil through the Atyrau-Samara section of the Uzen-Atyrau-Samara main oil pipeline is planned at the level of 154.7 thousand tons; Kashagan oil - 60 thousand tons. The estimated transportation volume of Kashagan oil for export to the People's Republic of China through the Atasu-Alashankou oil pipeline will be 40 thousand tons.

For reference:

*KazTransOil JSC is the national operator of the main oil pipeline. It is included in the group of NC “KazMunayGas” JSC. It owns a diversified network of main oil pipelines with a length of 5.4 thousand km. It transports oil to Kazakh refineries and for export in the following directions: the Atyrau-Samara section of the Uzen-Atyrau-Samara main oil pipeline; transshipment to the Kazakhstan-China Pipeline LLP system (Atasu-Alashankou oil pipeline); the port of Aktau (loading oil into tankers); transshipment into the system of Caspian Pipeline Consortium-K JSC; loading oil into railway tanks at Shagyr oil terminal and T. Kassymov oil transfer pumping station.*
