6. **Interest**

(a) **Interest Accrual**

The Notes shall bear or, as the case may be, be deemed to bear interest on their outstanding principal amount from 1 March 2010 up to but excluding 25 March 2017 (the "**Amortisation Date**") at the rate of 4.7 per cent. per annum (the "**Initial Rate of Interest**") and thereafter until 25 March 2020 at a rate per annum (the "**Step Up Rate of Interest**") equal to six month LIBOR (determined as set out below) plus the Margin (as defined below) payable in arrear on 25 March and 25 September in each year (each, an "**Interest Payment Date**"), subject as provided in Condition 7 (*Payments*), save that:

- (i) the first Interest Payment Date shall be on 25 September 2010;
- (ii) if any Interest Payment Date after the Amortisation Date would otherwise fall on a day which is not a Business Day, it will be postponed to the next Business Day unless it would thereby fall into the next calendar month, in which case it will be brought forward to the preceding Business Day;
- (iii) at the end of each Interest Period during the period beginning on 1 March 2010 and ending on (but excluding) the Amortisation Date, that portion of the interest payable equal to the Capitalisation Amount for that Interest Period accrued on the Notes during that Interest Period shall, unless the Bank elects to pay such accrued interest in cash on the corresponding Interest Payment Date by giving the Principal Paying and Transfer Agent not less than three Business Days' notice of such election (which notice shall be irrevocable for such Interest Payment Date), be automatically capitalised and added to the amount of the principal in respect of the Notes, for which purpose, the "**Capitalisation Amount**" for any Interest Period shall be an amount equal to the interest that would have accrued for that Interest Period had the Initial Rate of Interest been 2.7 per cent. per annum. Any such accrued interest shall, after being so capitalised, be (and be treated as) part of the principal in respect of the Notes and shall bear interest in accordance with this Condition 6 (*Interest*) and, except to the extent repaid or prepaid at an earlier time in accordance with these Conditions, shall be payable in accordance with the provisions of these Conditions and the Trust Deed. If all or part of the principal of the Notes is prepaid prior to the end of an Interest Period (including by way of the Put Option), any accrued and unpaid interest on such principal of the Notes that has not been so capitalised will be payable in cash on the date of such prepayment.

The Margin shall be 8.5 per cent. per annum *provided that* if and for so long as the Bank has an investment grade rating from at least two of Standard & Poors ("**S&P**") and its successors, Moody's Investors Service Inc. ("**Moody's**") or its successors and

Fitch Ratings Ltd. (“**Fitch**”) or its successors (each a “**Rating Agency**”), the Margin shall be reduced to 6.5 per cent. per annum. Any reduction or increase in the Step Up Rate of Interest following any rating of the Bank by a Rating Agency shall take effect from the first day of the next Interest Period following the issuance of such rating.

Each period beginning on (and including) the 1 March 2010 or any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an “**Interest Period**”.

(b) ***Cessation of Interest***

Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of principal is improperly withheld or refused, in which case it will continue to bear interest at such rate (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Notes up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying and Transfer Agent or the Trustee has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

(c) ***Calculation of Interest for an Interest Period Prior to the Amortisation Date***

The amount of interest payable in respect of each Note for any Interest Period prior to the Amortisation Date shall be calculated by applying the Rate of Interest to the principal amount of such Note, dividing the product by two and rounding the resulting figure to the nearest cent (half a cent being rounded upwards) *provided that* the amount of interest payable for the first Interest Period shall be U.S.\$26.63 for each U.S.\$1,000 in principal amount of Note (subject always to automatic capitalisation of interest pursuant to Condition 6(a)(ii)).

(d) ***Calculation of Interest for any Other Period Prior to the Amortisation Date***

If interest is required to be calculated for any period prior to the Amortisation Date other than an Interest Period, it will be calculated on the basis of a year of 360 days consisting of 12 months of 30 days each and, in the case of an incomplete month, the actual number of days elapsed.

The determination of the amount of interest payable under Condition 6(c) (*Calculation of Interest for an Interest Period Prior to the Amortisation Date*) by the Principal Paying Agent shall, in the absence of manifest error, be binding on all parties.

(e) ***Calculation of Interest from and Including the Amortisation Date***

The Principal Paying and Transfer Agent will, in relation to each Interest Period from and including the Amortisation Date, calculate the amount of interest payable in respect of each Note for such Interest Period (the “**Interest Amount**”). The Interest Amount shall be calculated by applying the Step Up Rate of Interest to the principal amount of such Note and multiplying the product by the actual number of days in such Interest Period divided by 360 and rounding the resulting figure to the nearest cent (half a cent being rounded upwards).

For the purposes of determining the Step Up Rate of Interest, LIBOR shall be calculated by the Principal Paying and Transfer Agent as follows:

(i) On any Interest Determination Date, LIBOR will be equal to the offered rate for deposits in U.S. Dollars having an index maturity of six months, in amounts of at least U.S.\$1 000 000, as such rate appears on Reuters Page LIBOR01 at approximately 11:00 a.m., London time, on such Interest Determination Date. If Reuters Page LIBOR01 is replaced by another service or ceases to exist, the Principal Paying and Transfer Agent will use the replacing service or such other service that may be nominated by the British Bankers' Association for the purpose of displaying London interbank offered rates for U.S. dollar deposits.

(ii) On the occurrence of a Disruption Event, the Principal Paying and Transfer Agent (after consultation with the Bank) will select four major banks in the London interbank market and shall request each of their principal London offices to provide a quotation of the rate at which six-month deposits in U.S. Dollars in amounts of at least U.S.\$1,000,000 are offered by it to prime banks in the London interbank market, on that date and at that time, that is representative of single transactions at that time. If at least two quotations are provided, LIBOR will be the arithmetic average of the quotations provided. Otherwise, the Principal Paying and Transfer Agent will select three major banks in New York City and shall request each of them to provide a quotation of the rate offered by them at approximately 11:00 a.m., New York City time, on the Interest Determination Date for loans in U.S. Dollars to leading European banks having an index maturity of six months for the applicable Interest Period in an amount of at least U.S.\$1,000,000 that is representative of single transactions at that time. If at least two quotations are provided, LIBOR will be the arithmetic average of the quotations provided. Otherwise, the rate of LIBOR for the next Interest Period will be set equal to the rate of LIBOR for the then current Interest Period.

Past and future performance and volatilities of the six month U.S. Dollar LIBOR may be obtained from Reuters Page LIBOR01.

Promptly upon determination of LIBOR, the Principal Paying and Transfer Agent will inform the Trustee and the Bank of the Step Up Rate of Interest for the next Interest Period. Absent manifest error, the determination of the Step Up Rate of Interest by the Principal Paying Agent shall be binding and conclusive on the Noteholders, the Trustee and the Bank.

The Luxembourg Stock Exchange shall be notified by the Principal Paying and Transfer Agent of the Step Up Rate of Interest, the Interest Amount and the Interest Payment Date for a particular Interest Period not later than the first day of such Interest Period. Upon request from any Noteholder, the Principal Paying Agent will provide the Step Up Rate of Interest in effect on the Notes for the current Interest Period and, if it has been determined, the Step Up Rate of Interest to be in effect for the next Interest Period.

For the purposes of this Condition 6 (*Interest*):

"Business Day" means a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including foreign exchange and foreign currency deposits) in London and New York;

"Disruption Event" shall be deemed to have occurred if no offered rate appears on Reuters Page LIBOR01 on an Interest Determination Date at approximately 11:00 a.m., London time;

“Interest Determination Date” means the second London Business Day prior to the start of each Interest Period; and

“London Business Day” means a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in London.

(f) ***Payment on a Business Day***

If the due date for payment of any amount in respect of any Note is not a business day in the place of presentation, the holder thereof shall not be entitled to payment in such place of the amount due until the next succeeding business day in such place. A holder of a Note shall not be entitled to any interest or other payment in respect of any delay in payment resulting from the due date for a payment not being a business day. In this Condition 7(f) (*Payment on a Business Day*), **“business day”** means any day on which banks are open for business (including dealings in foreign currencies) in New York City and, in the case of surrender (or, in the case of partial payment

In addition, the Trustee is entitled to enter into business transactions with the Bank and any entity relating to the Bank without accounting for any profit.

The Trustee's responsibilities are solely those of trustee for the Noteholders on the terms of the Trust Deed. Accordingly, the Trustee makes no representations and assumes no responsibility for the validity or enforceability of the Notes or for the performance by the Bank of its obligations under or in respect of the Notes or the Trust Deed, as applicable.

(b) ***Exercise of Power and Discretion***

In connection with the exercise of any of its powers, trusts, authorities or discretions (including but not limited to those referred to in these Conditions and the Trust Deed), the Trustee shall have regard to the interests of the Noteholders as a class and, in particular, shall not have regard to the consequences of such exercise for individual Noteholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or taxing jurisdiction. The Trustee shall not be entitled to require, and no Noteholder shall be entitled to claim, from the Bank (in the case of a Noteholder) the Trustee any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders.

(c) ***Enforcement; Reliance***

The Trustee may at any time, at its discretion and without notice, institute such proceedings as it thinks fit to enforce its rights under the Trust Deed in respect of the Notes, but it shall not be bound to do unless:

- (i) it has been so requested in writing by the holders of a least one fifth in principal amount of the outstanding Notes or has been so directed by an Extraordinary Resolution; and
- (ii) it has been indemnified or provided with security or pre funded to its satisfaction.

The Trust Deed provides that the Trustee may, at any time, or, in making any determination under these Conditions or the Trust Deed, act on the opinion or advice of, or information obtained from, any expert, auditor, lawyer or professional entity, without further enquiry or evidence. In particular, the Trust Deed provides that the Trustee may rely on certificates or reports from auditors whether or not such certificate or report or any engagement letter or other document entered into by the Bank and the auditors contains any limit on liability (monetary or otherwise) of the auditors and provides further that nothing shall require the Trustee to enter into or to agree to be bound by the terms of any engagement letter or other document entered into by the Bank or any such auditor. If such evidence is relied upon, the Trustee's determination shall be conclusive and binding on all parties, and the Trustee will not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience which may result from it so acting.

Until the Trustee has actual or express knowledge to the contrary, the Trustee may assume that no Event of Default or event or circumstance which could with the giving of notice, lapse of time, issue of a certificate and/or fulfilment of any other requirement provided for in Condition 11 (*Events of Default*) become an Event of Default has occurred.

The Trust Deed provides that the Bank is required to deliver to the Trustee, pursuant to, and in the circumstances detailed in, the Trust Deed, a certificate signed by any two of its Directors that there has not been and is not continuing any Event of Default, an event or circumstance which could with the giving of notice, lapse of time, issue of a certificate and/or fulfilment of any other requirement provided for in Condition 11 (*Events of Default*) become an Event of Default, or other breach of the Trust Deed. The Trustee shall be entitled to rely without liability on such certificates. The Trustee shall not be responsible for monitoring any of the covenants and obligations of the Bank set out in these Conditions and shall be entitled to rely upon the information provided pursuant to these Conditions and the Trust Deed and to assume, unless it receives actual notice to the contrary, that the Bank is complying with all covenants and obligations imposed upon it, respectively, herein and therein.

(d) ***Failure to Act***

No Noteholder may proceed directly against the Bank unless the Trustee, having become bound to do so, fails to do so within a reasonable time and such failure is continuing.

(e) **Retirement and Removal**

Any Trustee may retire at any time on giving at least three months' written notice to the Bank without giving any reason or being responsible for any costs occasioned by such retirement and the Noteholders may by Extraordinary Resolution remove any Trustee, *provided that* the retirement or removal of a sole trust corporation will not be effective until a trust corporation is appointed as successor Trustee. If a sole trust corporation gives notice of retirement or an Extraordinary Resolution is passed for its removal, it will use all reasonable endeavours to procure that another trust corporation be appointed as Trustee. In the event of any change of the Trustee, two separate notices shall be published in two leading newspapers one of which will have general circulation in the Republic of Kazakhstan and the other in Luxembourg.

(f) **Substitution**

The Trust Deed contains provisions to the effect that the Trustee may (without the consent of the Noteholders) agree on such terms as it may specify to the substitution of the Bank's successor in business in place of the Bank as issuer and principal obligor in respect of the Notes and as principal obligor under the Trust Deed, subject to all relevant conditions of the Trust Deed having been complied with (including an unconditional guarantee by the Bank of the obligations assumed by the substitute). Not later than 14 days after compliance with the aforementioned requirements, notice thereof shall be given by the Bank to the Noteholders in accordance with Condition 14 (*Notices*).

16. **Further Issues**

The Bank may from time to time, without the consent of the Noteholders and in accordance with the Trust Deed, create and issue further Notes having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest).

17. **Currency Indemnity**

If any sum due from the Bank in respect of the Notes under the Trust Deed or any order or judgment given or made in relation thereto has to be converted from the currency (the "**first currency**") in which the same is payable under these Conditions, the Trust Deed or such order or judgment into another currency (the "**second currency**") for the purpose of making or filing a claim or proof against the Bank, obtaining an order or judgment in any court or other tribunal or enforcing any order or judgment given or made in respect of the Notes or in respect thereof under the Trust Deed, the Bank shall indemnify each Noteholder, on the written demand of such Noteholder addressed to the Bank and delivered to the Bank or to the Specified Office of the Principal Agent or the Agent having its Specified Office in London, against any loss suffered as a result of any discrepancy between the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and the rate or rates of exchange at which such Noteholder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof. This indemnity constitutes a separate and independent obligation of the Bank and shall give rise to a separate and independent cause of action.

18. **Contracts (Rights of Third Parties) Act 1999**

No Person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999, but this does not affect the right or remedy of any Person which exists or is available apart from such Act.

19. **Governing Law; Arbitration and Jurisdiction**

(a) ***Governing Law***

The Trust Deed, the Notes, the Agency Agreement and any non-contractual obligations arising out of or in connection therewith are governed by, and shall be construed in accordance with, English law.

(b) ***Arbitration***

The Bank agrees that any claim, dispute or difference of whatever nature arising under, out of or in connection with the Notes or the Trust Deed (including a claim, dispute or difference regarding its existence, termination or validity or any non contractual obligations arising out of or in connection with the Trust Deed) (a "Dispute"), shall be referred to and finally settled by arbitration in accordance with the rules of the London Court of International Arbitration ("LCIA") (the "Rules") as at present in force and as modified by this Condition, which Rules shall be deemed incorporated into this Condition. The number of arbitrators shall be three, one of whom shall be nominated by the Bank, one by the Trustee and the third of whom, who shall act as Chairman, shall be nominated by the two party nominated arbitrators, *provided that* if the third arbitrator has not been nominated within 30 days of the nomination of the second party nominated arbitrator, such third arbitrator shall be appointed by the LCIA. The parties may nominate and the LCIA may appoint arbitrators from among the nationals of any country, whether or not a party is a national of that country. The seat of arbitration shall be London, England and the language of arbitration shall be English. Sections 45 and 69 of the Arbitration Act 1996 shall not apply.

(c) ***Trustee's Option***

At any time before the Trustee has nominated an arbitrator to resolve any Dispute(s) pursuant to Condition 19(b) (*Arbitration*), the Trustee, at its sole option, may elect by notice in writing to the Bank that such Dispute(s) shall instead be heard by the courts of England, as more particularly described in Condition 19(d) (*Jurisdiction*). Following any such election, no arbitral tribunal shall have jurisdiction in respect of such Dispute(s).

(d) ***Jurisdiction***

In the event that the Trustee serves a written notice of election in respect of any Dispute(s) pursuant to Condition 19(c) (*Trustee's Option*), the Bank agrees for the benefit of the Trustee and the Noteholders that the courts of England shall have jurisdiction to hear and determine any such Dispute(s) and, for such purposes, irrevocably submits to the jurisdiction of such courts. Subject to Condition 19(b) (*Arbitration*), nothing in this Condition shall (or shall be construed so as to) limit the right of the Trustee to bring proceedings ("**Proceedings**") for the determination of any Dispute(s) in any other court of competent jurisdiction, nor shall the bringing of such Proceedings in any one or more jurisdictions preclude the bringing of Proceedings by the Trustee in any other jurisdiction (whether concurrently or not) if and to the extent permitted by law.

(e) ***Appropriate Forum***

The Bank has irrevocably waived any objection which it might now or hereafter have to the courts of England being nominated as the forum to hear and determine any

Proceedings and agrees not to claim in any Proceedings that any such court is not a convenient or appropriate forum.

(f) ***Agent for Service of Process***

The Bank has agreed that the process by which any Proceedings in England are begun may be served on it by being delivered to Law Debenture Corporate Services Limited, Fifth Floor, 100 Wood Street, London EC2V 7EX or, if different, its registered office for the time being. If for any reason the Bank does not have such an agent in England, it will promptly appoint a substitute process agent and notify in writing the Trustee of such appointment. If such person is not or ceases to be effectively appointed to accept service of process on behalf of the Bank, the Bank shall, on the written demand of the Trustee, appoint a further person in England to accept service of process on its behalf and, failing such appointment within 15 days, the Trustee shall be entitled to appoint such a person by written notice to the Bank. Nothing herein shall affect the right to serve process in any other manner permitted by law.

(g) ***Consent to Enforcement, etc.***

The Bank has consented generally in respect of any Disputes (or Proceedings in accordance with Condition 19(d) (*Jurisdiction*)) to the giving of any relief or the issue of any process in connection with such Disputes or Proceedings, including (without limitation) the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which may be given in such Proceedings or in connection with such Disputes.

(h) ***Waiver of Immunity***

To the extent that the Bank may in any jurisdiction claim for itself or its respective assets or revenues immunity from suit, execution, attachment (whether in aid of execution, before judgment or otherwise) or other legal process and to the extent that such immunity (whether or not claimed) may be attributed in any such jurisdiction to the Bank, or its assets or revenues, the Bank has agreed, in connection with any Disputes or Proceedings, not to claim and have irrevocably waived such immunity to the full extent permitted by the laws of such jurisdiction.

Certain provisions of these Conditions are summaries of the Trust Deed and the Agency Agreement and subject to their detailed provisions. The Noteholders are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and the Agency Agreement applicable to them. Copies of the Trust Deed and the Agency Agreement are available for inspection during normal business hours at the Specified Offices (as defined in the Agency Agreement) of the Principal Paying and Transfer Agent. References herein to the "Agents" are to the Registrar and the Paying and Transfer Agents and any reference to an "Agent" is to any one of them.

Terms defined in the Trust Deed shall, unless otherwise defined herein or the context requires otherwise, bear the same meanings herein.

1. Status

The obligations under the Notes are unconditional, direct, unsubordinated and, subject as provided in Clause 8.1(y) (*Negative Pledge*) of the Trust Deed, unsecured obligations of the Bank, and will at all times rank at least *pari passu* amongst themselves and *pari passu* in right of payment with all other present and future (except as provided therein) unsubordinated obligations of the Bank, save only for such obligations as may be preferred by mandatory provisions of applicable law.

2. Form, Denomination and Title

(a) Form and Denomination

(b) Title

Title to the Notes will pass by transfer and registration as described in Conditions 3 (*Registration*) and 4 (*Transfers*). The holder (as defined below) of any Notes shall (except as otherwise required by law or as ordered by a court of competent

jurisdiction) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any other interest therein, any writing thereon (other than a duly executed transfer thereof in the form endorsed thereon) or any notice of any previous loss or theft thereof) and no person shall be liable for so treating such holder.

In these Conditions, “holder” means the person in whose name a Note is registered in the Register (as defined below) (or, in the case of joint holders, the first named thereof) and “holders” and “Noteholders” shall be construed accordingly.

3. Registration

The Bank shall procure that the Registrar will maintain a register (the “Register”) at the Specified Office of the Registrar in respect of the Notes in accordance with the provisions of the Agency Agreement. A certificate (each, a “Note Certificate”) will be issued to each Noteholder in respect of its registered holding. Each Note Certificate will be numbered serially with an identifying number which will be recorded in the Register.

4. Transfers

- (a) Subject to Conditions 4(d) and 4(e), a Note may be transferred in whole or in part upon surrender of the relevant Note Certificate, with the endorsed form of transfer (the “Transfer Form”) duly completed, at the Specified Office of any Agent, together with such evidence as the Registrar or (as the case may be) such Agent may reasonably require to prove the title of the transferor and the authority of the individuals who have executed the form of transfer; *provided, however, that* a Note may not be transferred unless the principal amount of Notes transferred and (where not all of the Notes held by a holder are being transferred) the principal amount of the balance of Notes not transferred are authorised denominations. Transfer Forms are available from any Agent and the Bank upon the request of any holder.
- (b) Within five business days of the surrender of a Note Certificate in accordance with Condition 4(a), the Registrar will register the transfer in question and deliver a new Note Certificate of like principal amount to the Notes transferred to each relevant holder at its Specified Office or (as the case may be) the Specified Office of any Agent or (at the request and risk of any such relevant holder) by uninsured first class mail (airmail if overseas) to the address specified for the purpose by such relevant holder. In this Condition 4(b), “business day” means a day other than a Saturday or a Sunday on which commercial banks are open for business (including dealings in foreign currencies) in the city where the Registrar or (as the case may be) the relevant Agent has its Specified Office.
- (c) The transfer of a Note will be effected without charge by the Registrar or any Agent but against such indemnity as the Registrar or (as the case may be) such Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such transfer.
- (d) Noteholders may not require transfers to be registered during the period of 15 days ending on the due date for any payment of principal or interest in respect of the Notes.
- (e) All transfers of Notes and entries on the Register are subject to the detailed regulations concerning the transfer of the Notes scheduled to the Agency Agreement, a copy of which will be made available as specified in the preamble to these Conditions. The regulations may be changed by the Bank with the prior written

approval of the Trustee and the Registrar. A copy of the current regulations will be mailed (free of charge) by the Registrar to any Noteholder who requests in writing a copy of such regulations.

5. **Covenants**

The Noteholders will have the benefit of certain covenants contained in the Trust Deed relating to, amongst other things, restrictions on the creation of security interests, incurrence of indebtedness, disposal of assets and payment of dividends.

6. **Interest**

(a) **Interest Accrual**

The Notes shall bear or, as the case may be, be deemed to bear interest on their outstanding principal amount from 1 March 2010 up to but excluding 25 March 2017 (the "**Amortisation Date**") at the rate of 4.7 per cent. per annum (the "**Initial Rate of Interest**") and thereafter until 25 March 2020 at a rate per annum (the "**Step Up Rate of Interest**") equal to six month LIBOR (determined as set out below) plus the Margin (as defined below) payable in arrears on 25 March and 25 September in each year (each, an "**Interest Payment Date**"), subject as provided in Condition 7 (*Payments*), save that:

- (i) the first Interest Payment Date shall be on 25 September 2010;
- (ii) if any Interest Payment Date after the Amortisation Date would otherwise fall on a day which is not a Business Day, it will be postponed to the next Business Day unless it would thereby fall into the next calendar month, in which case it will be brought forward to the preceding Business Day;
- (iii) at the end of each Interest Period during the period beginning on 1 March 2010 and ending on (but excluding) the Amortisation Date, that portion of the interest payable equal to the Capitalisation Amount for that Interest Period accrued on the Notes during that Interest Period shall, unless the Bank elects to pay such accrued interest in cash on the corresponding Interest Payment Date by giving the Principal Paying and Transfer Agent not less than three Business Days' notice of such election (which notice shall be irrevocable for such Interest Payment Date), be automatically capitalised and added to the amount of the principal in respect of the Notes, for which purpose, the "**Capitalisation Amount**" for any Interest Period shall be an amount equal to the interest that would have accrued for that Interest Period had the Initial Rate of Interest been 2.7 per cent. per annum. Any such accrued interest shall, after being so capitalised, be (and be treated as) part of the principal in respect of the Notes and shall bear interest in accordance with this Condition 6 (*Interest*) and, except to the extent repaid or prepaid at an earlier time in accordance with these Conditions, shall be payable in accordance with the provisions of these Conditions and the Trust Deed. If all or part of the principal of the Notes is prepaid prior to the end of an Interest Period (including by way of the Put Option), any accrued and unpaid interest on such principal of the Notes that has not been so capitalised will be payable in cash on the date of such prepayment.

The Margin shall be 8.5 per cent. per annum *provided that* if and for so long as the Bank has an investment grade rating from at least two of Standard & Poors ("**S&P**") and its successors, Moody's Investors Service Inc. ("**Moody's**") or its successors and

Fitch Ratings Ltd. (“**Fitch**”) or its successors (each a “**Rating Agency**”), the Margin shall be reduced to 6.5 per cent. per annum. Any reduction or increase in the Step Up Rate of Interest following any rating of the Bank by a Rating Agency shall take effect from the first day of the next Interest Period following the issuance of such rating.

Each period beginning on (and including) the 1 March 2010 or any Interest Payment Date and ending on (but excluding) the next Interest Payment Date is herein called an “**Interest Period**”.

(b) *Cessation of Interest*

Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of principal is improperly withheld or refused, in which case it will continue to bear interest at such rate (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Notes up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying and Transfer Agent or the Trustee has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

(c) *Calculation of Interest for an Interest Period Prior to the Amortisation Date*

The amount of interest payable in respect of each Note for any Interest Period prior to the Amortisation Date shall be calculated by applying the Rate of Interest to the principal amount of such Note, dividing the product by two and rounding the resulting figure to the nearest cent (half a cent being rounded upwards) *provided that* the amount of interest payable for the first Interest Period shall be U.S.\$26.63 for each U.S.\$1,000 in principal amount of Note (subject always to automatic capitalisation of interest pursuant to Condition 6(a)(ii)).

(d) *Calculation of Interest for any Other Period Prior to the Amortisation Date*

If interest is required to be calculated for any period prior to the Amortisation Date other than an Interest Period, it will be calculated on the basis of a year of 360 days consisting of 12 months of 30 days each and, in the case of an incomplete month, the actual number of days elapsed.

The determination of the amount of interest payable under Condition 6(c) (*Calculation of Interest for an Interest Period Prior to the Amortisation Date*) by the Principal Paying Agent shall, in the absence of manifest error, be binding on all parties.

(e) *Calculation of Interest from and Including the Amortisation Date*

The Principal Paying and Transfer Agent will, in relation to each Interest Period from and including the Amortisation Date, calculate the amount of interest payable in respect of each Note for such Interest Period (the “**Interest Amount**”). The Interest Amount shall be calculated by applying the Step Up Rate of Interest to the principal amount of such Note and multiplying the product by the actual number of days in such Interest Period divided by 360 and rounding the resulting figure to the nearest cent (half a cent being rounded upwards).

For the purposes of determining the Step Up Rate of Interest, LIBOR shall be calculated by the Principal Paying and Transfer Agent as follows:

(i) On any Interest Determination Date, LIBOR will be equal to the offered rate for deposits in U.S. Dollars having an index maturity of six months, in amounts of at least U.S.\$1 000 000, as such rate appears on Reuters Page LIBOR01 at approximately 11:00 a.m., London time, on such Interest Determination Date. If Reuters Page LIBOR01 is replaced by another service or ceases to exist, the Principal Paying and Transfer Agent will use the replacing service or such other service that may be nominated by the British Bankers' Association for the purpose of displaying London interbank offered rates for U.S. dollar deposits.

(ii) On the occurrence of a Disruption Event, the Principal Paying and Transfer Agent (after consultation with the Bank) will select four major banks in the London interbank market and shall request each of their principal London offices to provide a quotation of the rate at which six-month deposits in U.S. Dollars in amounts of at least U.S.\$1,000,000 are offered by it to prime banks in the London interbank market, on that date and at that time, that is representative of single transactions at that time. If at least two quotations are provided, LIBOR will be the arithmetic average of the quotations provided. Otherwise, the Principal Paying and Transfer Agent will select three major banks in New York City and shall request each of them to provide a quotation of the rate offered by them at approximately 11:00 a.m., New York City time, on the Interest Determination Date for loans in U.S. Dollars to leading European banks having an index maturity of six months for the applicable Interest Period in an amount of at least U.S.\$1,000,000 that is representative of single transactions at that time. If at least two quotations are provided, LIBOR will be the arithmetic average of the quotations provided. Otherwise, the rate of LIBOR for the next Interest Period will be set equal to the rate of LIBOR for the then current Interest Period.

Past and future performance and volatilities of the six month U.S. Dollar LIBOR may be obtained from Reuters Page LIBOR01.

Promptly upon determination of LIBOR, the Principal Paying and Transfer Agent will inform the Trustee and the Bank of the Step Up Rate of Interest for the next Interest Period. Absent manifest error, the determination of the Step Up Rate of Interest by the Principal Paying Agent shall be binding and conclusive on the Noteholders, the Trustee and the Bank.

The Luxembourg Stock Exchange shall be notified by the Principal Paying and Transfer Agent of the Step Up Rate of Interest, the Interest Amount and the Interest Payment Date for a particular Interest Period not later than the first day of such Interest Period. Upon request from any Noteholder, the Principal Paying Agent will provide the Step Up Rate of Interest in effect on the Notes for the current Interest Period and, if it has been determined, the Step Up Rate of Interest to be in effect for the next Interest Period.

For the purposes of this Condition 6 (Interest):

"Business Day" means a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including foreign exchange and foreign currency deposits) in London and New York;

The Trustee shall be entitled to accept, without further enquiry, such certificate and opinion as sufficient evidence of the satisfaction of the circumstances set out in (i) and (ii) above, in which event these shall be conclusive and binding on the Noteholders. The Unallocated Cash that is to be distributed to holders of the Par Notes shall then be allocated between the Notes and the Par Tenge Notes in the proportion which their respective aggregate principal amounts bear to each other (for which purpose the aggregate principal amount of the Par Tenge Notes shall be converted into Dollars using the rate displayed on the appropriate Thompson Reuters page at or about 11 a.m. Almaty time two Business Days prior to the date of distribution).

The Bank shall inform the Noteholders within six months of 25 March 2010 (the "Issue Date") of the amount of any Unallocated Cash that is distributable in respect of the Notes. The surplus cash is calculated and applied every six months. For the purposes of calculating the surplus cash, the Bank shall prepare (and send to the Trustee and publish on the Bank's website before the end of January 2018 and every six months thereafter) a cash flow statement, based on the most recently available semi-annual or annual consolidated financial statements of the Bank prepared in accordance with Adjusted IFRS. The surplus cash shall be calculated in accordance with the following formula:

The Trustee shall not be responsible for monitoring whether or

not any Public Offering has occurred and shall be entitled to assume unless it receives written notice to the contrary, that no Public Offering has occurred. In the event that a Public Offering occurs but no Public Offering Notice is given by the Bank, the Bank shall be deemed to have given a Public Offering Notice specifying a Prepayment Date on the date which is 60 days after the occurrence of the Public Offering, unless such day is not a Business Day, in which event the Prepayment Date shall be the immediately following Business Day thereafter.
